United States Magistrate Judge
United States Courthouse, Courtroom 8E

Re: United States v. Clinton James Ward, et al., Case No. 22-cr-336 (DWF/DJF)

Dear Judge Foster:

The government has discussed this case with the defense counsel by way of telephone conversations, emails and, in some instances, personal meetings, and is not aware of any matters that need discussion or resolution at the case management conference scheduled for August 28, 2024, at 9:15 a.m. The government sees no need at this time to designate this case as complex, but has no objection to the Court doing so based upon its own scheduling and docketing considerations.

Very truly yours,

ANDREW M. LUGER
United States Attorney
